

Bigger-n-Better game Guidelines:

1. You will start with a paperclip. You will be going door-to-door to trade your paperclip for an item **YOU CAN KEEP** that is bigger or better than that paperclip. Once you get that item, you will be looking to trade someone for the next thing that is bigger or better.
2. Be respectful of people's property. Walk on walk-ways, not grass or flowerbeds. Don't comment negatively on people's homes, dogs, or children... that is, be polite.
3. Stay outside on the porch... do not enter anyone's home, no matter how sweet and innocent they look.
4. Stay with your adult chaperone.
5. Please introduce yourselves and say something to this effect:

“Hi, my name is _____ . I go to youth group at _____ and we are playing Bigger-n-Better tonight. This is how it works. I have a _____, and was wondering if you have anything bigger or better that you would like to trade for it. This trade is ‘for keeps.’ [wait for response] THANK YOU!”

You have until _____ pm. Be back at the church at that time to compare your haul with other team's. Then, we will declare a winner.
