

## Honor a Loved One This Easter

*Would you consider a tribute or gift  
in honor of a loved one this Easter?*

*In Loving Memory*

Would you consider making a gift on behalf of a loved one this Easter? Your gift can be either a tribute to someone who is already experiencing the full joy of the resurrection or to honor someone for their impact on your life. Intermountain's mission of *healing through healthy relationships* is a ministry you can be proud to support.

Those who have an honor gift given in their name will receive a card and special recognition in our Fine Gold publication. A memorial gift recognition card can be directed to whomever you wish.

If you would be interested in honoring someone in this way, please visit [intermountain.givingfuel.com/donate](http://intermountain.givingfuel.com/donate) and be sure to click the box that says *"I am making this gift in memory or in honor of someone."*

You can also contact Intermountain at 406-457-4804 to talk to someone about your gift. Thank you for your generosity and prayers for the ministry!
